Good Words

“*Surely goodness and love will follow me all the days of my life, and I will dwell in the house of the Lord forever.*”

Psalm 23:6

By Chris Derksen

50 SUMMERS OF GOODNESS AND LOVE

One of our counsellors recently informed me that I will have experienced 50 summers. It took me a moment, but I realized that she was referring to my recent birthday in which I reached that numeric milestone in my life. 50 years old! Wow, how did that happen?

As I've been pondering turning 50 and what that means, the words from Psalm 23 came to my mind. Specifically the words of the Psalmist, "Surely goodness and love will follow me all the days of my life". This is David's conclusion near the end of the Psalm because prior to this statement, David makes his case as to why he can have this assurance. And that case is that regardless of David's circumstances, his Heavenly Father is right there with him in good times and bad times.

Like David, I'm sure most of us can relate to experiencing both good times and bad. But as I take inventory of my life over the last 50 plus years, I can conclude like David, that "surely goodness and love will follow me all the days of my life".

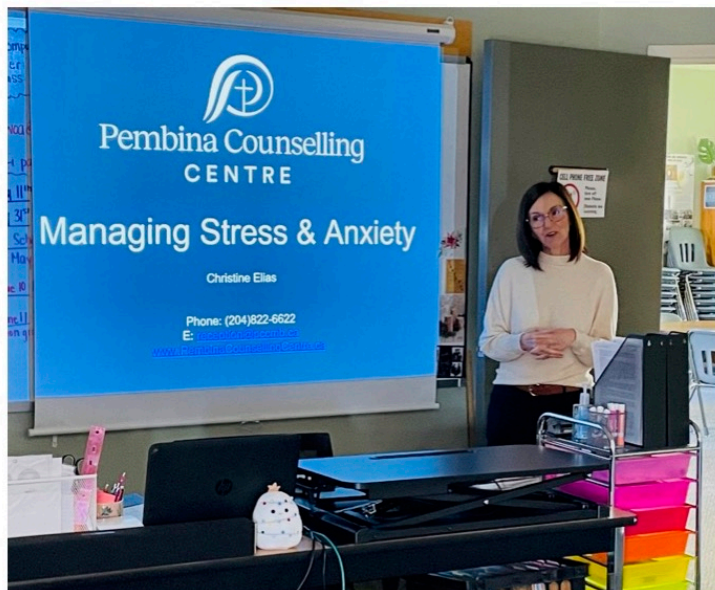

This conclusion is not based on my circumstances, or what's going on in the world, but on the love and commitment of our Heavenly Father to us. My prayer for all of you is that you will experience that same comfort and assurance as well.

As we enter into summer, I want to thank you for your faithfulness to the work and ministry of Pembina Counselling Centre. As the demand for our services continue to grow, so too do our opportunities for outreach in the community. We would not be able to do this without your support. Thank you and may the Lord bless you!

In The Community

“We are thankful our counsellors at PCC can be a resource within our community. Recently, Christine Elias presented on Managing Stress & Anxiety at the Morden Adult Education Centre.”

Impacting Lives

How Your Investment Impact Lives

“Whenever I talk with clients about the cost of sessions and how PCC offers a reduced rate for those who cannot afford the full amount, the most common responses are relief, curiosity and amazement.

Relief that money is one less thing to think about and will not be an obstacle to getting the care they want and need. Curiosity wondering how this is possible. Amazement that there are people in the community who do not even know them, yet care so much that they give generously to make it possible for them to participate.

As a Christian organization we believe God has put us here for this task and this time and He will provide all that we need to do what He has asked. And indeed, He does.

Praise the LORD.”
